BARBOURVILLE, KY., FRIDAY, SEPTEMBER 10, 1920

ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

BUY YOUR TICKETS FOR THE SPECIAL

There will be a ball game on B. I. grounds Saturday at 2 p. m. between Old Hickory. This is the first time Corbin has consented to play Old Hickory on her own ground and a good game is assured.

There will be a special train run from Corbin to Middlesboro Sunday carrying Corbin and Old Hickory teams who will meet Middlesboro in a double header. All parties who wish to go can see K. Tye for tickets. Train will arrive at Barbourville about 11:30 a. m.

THE TIE THAT BINDS

Mr. and Mrs. E. E. Sawyers are enjoying a family reunion of all the children and grand children. These are Mr. and Mrs. H. J. Constantine, of Detroit, Mich., and four children; Mrs. H. L. Ross, of Williamson, W. Va., and two children; Mr. and Mrs. Jess Herlin, of Hodgenville, Ky., and two children; Mr. and Mrs. Otto Brown, of Middlesboro, Ky., and three children; Mr. Edwin Sawyers, of Lakeland, Fla., and Mr. Ben S. Sawyers, Barbourville, Ky.

This is one of the largest family reunions held in Barbourville for quite a while and the members of this estimable family are receiving a warm welcome from their many friends.

B. B. I. OPENS

Barbourville Baptist Institute began its work for the year 1920-1921 on Tuesday, September 7th, with 102 pupils enrolled in all departments.

Interesting talks were made to the pupils by B. E. Parker, W. R. Marsee and by members of the faculty. Miss Trabue, the accomplished musical director of the past three years, was at the piano and a number of songs were sung to give pleasure to both the pupils and the parents who were present.

B. B. I. is opening this year under very auspicious circumstances. The faculty is a strong one and will do well by the educational as well as the moral side of the boys and girls who are committed to them. Plans for better athletics are well under way and this is a feature that will appeal to both boys and girls who may desire to enter the Institute.

The attendance at the Institute according to report, is very much larger than usual and the building plans must be put thru if B. B. I. expects to accommodate the incoming students.

Let us all work for our institutions and push them along all possible.

John Catron Jones spent a few days with his sister, Mrs. Sarah Hughes, this week. He has been doing post graduate work at Columbia University, New York, since his return from France and is now on his way to Lexington where he has accepted a professorship in the State University.

The Advocate is an excellent medium for advertising the little things you want to sell.

BOY HURT BY AUTO

Mack Davis of Clear Creek Spring who with his parents, Mr. and Mrs. H. F. Davis, has been the guest of Mr. and Mrs. A. D. Smith, was quite badly injured by an automobile being driven it is said by Mr. Pesce, of Silers. Several of the boy's ribs were broken with possibly some injury to the lung. It is alleged there was a jam of traffic and to avoid another vehicle, Mr. Pesce had to swing to the other side of the street. Both wheels of the machine passed over the boy. The accident happened near the Scent residence on Depot Street where he was visiting.

WAGON MINERS PROTEST

Owners of wagon mines in the Eleventh Congressional District have entered a formal protest against the orders of the Interstate Commerce Commission No. 9 and 14 forbidding the use of open top cars to mines not equipped with modern loading devices. The operators stated they represent 1,000 wagon mines, with a combined capital of \$7,000,000 and employ 15,000 workmen of whom 10,000 will be thrown out of employment. Another claim is that in closing down these mines will intensify the scarcity of coal.

SEVENTY-THREE YEARS YOUNG

Mrs. M. S. Costello on Wednesday celebrated the seventy-third year of life, tho no one would believe that she was anything but a girl whose hair has turned prematurely silvered. Seriously, Mrs. Costello is one of those who have remained young in heart and the sunshine she carries in her soul radiates in her face so that her friends do not associate her with age at all. She has looked out on life and found it good in that she has shared the joys and sorrows of others and, as only the selfish grow old, tho Mrs. Costello stands on the hill where the shadows are to be found, they are tinted with the gold of well doing and the beauty of contentment.

Mrs. Costello's many friends did not fail to remind her that they love her by gifts of flowers and good wishes in which the Advocate sincerely joins.

PUBLIC SCHOOL OPENS

The Barbourville Public Schools opened Monday with all the faculty present and a record breaking attendance. More pupils have enrolled each day since all the rooms are filled and another primary teacher has been employed as over eighty little ones have already been enrolled.

Chapel exercises were held on the first morning and Gov. J. D. Black made an excellent address to which the pupils listened with great interest. Mrs. W. B. Minton made a talk on "Climbing" and Prof. Buck told of some of the work that will be undertaken during the year.

Everything seems to have started off well and an unusually fine school year is indicated.

"Nothing is impossible."

TWO MINERS KILLED AT WARREN

John Lake, about 32 years of age, and Haskell Patterson were killed and Norman Hubbard was injured in a mine belonging to the Carter Coal Company Monday morning thru a fall of slate at the drift mouth. It is said there had been a fall of slate and this was being cleaned out of the ditch when a second fall occurred. Lake is married and the father of several children.

CARD OF THANKS

Mr. and Mrs. Jesse Fisher wish to thank their friends and neighbors for the beautiful flowers and their kindness and sympathy shown us in the hours of grief and bereavement.

FREE RECITAL

Thru the enterprise of Collier L. Franklin, of Franklin & Cannon, the people of Barbourville will have the privilege of hearing a recital by Miss Betsy Lane Shepherd, the celebrated soprano, assisted by Mr. Adrien Friche, violinist.

The reason for the recital is to make comparison of the human voice with the celebrated Edison phonograph records.

The date set is Wednesday, September 16. Don't overlook this opportunity of hearing these people, a privilege which would cost dollars were the recital given in a hall.

BASEBALL

Thursday Old Hickory fell before the arm of Ballou, of Harlan, who pitched a faultless game. The two runs made by Harlan came in the fourth inning and tho the local boys did their best they could not score until the ninth inning when, with a man on third and second, a cleverly placed hit by R. B. Minton took one man home. Cager Tye followed at the bat, but was caught out. The pitching of Tye was fine and the entire game, including some stirring moments in the ninth inning, was a peach.

On Friday Barbourville took revenge with a score of 4 to 3. Tye pitched the first half when the score favored the coal city boys by 2 to 1. Sawyer Decker more than evened things in the second half bringing victory to his home team. These two teams have not been able to score a decision since the famous 13 to 13 game of last year. They are still tied on games.

Corbin defeated Harlan Sunday 16 to 8. The Harlan pitchers had gone to the box too often during the week and had tired arms.

We, as a City, are confronted with a lamentable lack of homes which is preventing the growth we should have if we had the homes to house those who would move here. It would not only be good business but patriotism to build houses for occupancy of would-be citizens of Barbourville. We have a fine brick plant and lumber can be bought more reasonably than elsewhere. If there is no other means of building houses, then a Building and Loan Society should be founded.

PERSONAL MENTION

Miss Daisy Rohsion is home from a visit to Louisville.

There will be Sunday School at 9:45 a. m. at the Presbyterian Church. Sermon at 11 a. m. Evening worship begins at 7:30.

Mrs. Marcellus Parton suffered a broken leg Sunday while walking on a rough part of the road near her home at Artemus.

If you have any clothes to patch, stockings to darn or knit, or if you need some "coaching" in your French lessons, I will be glad if you will call on me. Mrs. Mary B. Sellaz at Mrs. T. J. Belcher's. 45-21

Rev. R. L. Creal has been in town this week preparing the furniture to move it to their future home in Ashville, N. C. Mr. and Mrs. Creal will leave Saturday.

The many friends of Robert W. Cole will be pleased to learn that he has so far recovered from the recent attack of appendicitis to be able to spend part of Thursday at the bank.

Miss Anna Stewart has written to Mrs. J. R. Murphy that she has fallen in love with her new home at Glen Jean where she is living with an uncle.

Sam Blevins, of Goose Creek, is a good sport. He came in with a dislocated shoulder Monday, which was set by Dr. Leslie Logan and went on to his home afterwards.

Boston Wyrick has bought a new saxophone and will play with the Union College orchestra. The Parrott garage can supply him with all the air he needs for his music producer.

Rev. Aubrey Guyn, accompanied by Mrs. Guyn, returned from a visit to Georgetown on Wednesday.

F. C. Dizney, of Grays, was in town Monday and renewed his subscription to the Mountain Advocate. Mr. Dizney says the corn crop is fine in his section.

Mrs. W. M. Hickett, of Artemus, has moved into town to put her three children into school and has light-housekeeping rooms with Mrs. Mildred Parrott.

Miss Blanche Smith, of Pineville, Miss Sue Shumons, of Birmingham, Ala., and Miss Nettie Webb, of Artemus, were the guests of Miss Anna Mae Smith this week.

The ladies of Barbourville are requested to keep Thursday afternoon free from other engagements so they can attend the Red Cross Teaching Service class which will be organized at the Methodist Church at 2:30.

Misses Edna Lawson, Maudie Beth erage and Sybil Harris left this week for Louisville where they will enter the Conservatory of Music and Expression.

Rev. A. H. Davis attended a Red Cross meeting at Louisville this week. He was accompanied by Miss Emily Elizabeth Davis who will later go on to Ohio to visit her aunt.

John Jones, miner of Elys, is suffering from an abscess near the ear which has troubled him for weeks. He was here Monday for consultation with Dr. Tye, after treatment at Pineville.

Squire Trosper, of Trosper, was here Monday and says crops in his section are good and that the coal cars have been scarce prospects for more are better.

Charlie Beams, of Cornettsville, Ky., is here this week looking for that rare thing, a vacant house. He wants to put his children in school. He is a brother-in-law of John W. Faulkner.

People from the country are also urged to attend the free recital by Miss Betsy Lane Shepherd at the Franklin & Cannon store on Wednesday. See announcement in another column.

The School Board has been so fortunate as to secure the services of Mrs. James Bright as teacher for the first grade when it became necessary to divide the room and employ a second teacher.

John Main is in Howling Green on oil business. It is understood that he will clean up his outside affairs so that he may devote more of his time to the Cnt-Rate Drug Store in the future.

Mrs. Mary J. Shuster, of Rockland spent Sunday with her brother, Judge K. F. Davis, Prof. and Mrs. James Hayes, of Oklahoma, were also guests of the Davis family Sunday.

John Hoagland, publicity manager of the Republican Party of Kentucky, was in town Monday. Mr. Hoagland is a young man, but a live wire and is keeping up the party's fences thruout the State.

James Perkins, of Jasper, Fla., was here last week and sold his father's farm on Fighting Creek. His father, T. M. Perkins, is with his son in Florida.

Mr. and Mrs. Paul Bowen, of Nicholasville, Ky., who have been visiting Mrs. Bowen's parents, Mr. and Mrs. I. H. Ballard, have returned home. Another daughter, Mrs. R. T. Campbell, of Birmingham, Ala., was also a guest of her parents.

Willie Powell, of Swan Lake, who has been in the Logan Infirmary with a broken femur, left for home Tuesday. It was feared the injured limb would be shorter than the other but thru the use of weights, it appears to be a perfect knit.

Dr. J. W. Trosper, of Tekoa, Wash is visiting friends and relatives, including Ithor W. Cole, Tom Parrott and Geo. Faulkner. Dr. Trosper was born at Knox Fork and attended school in Barbourville. He is now practicing dentistry and making good in the state of his adoption.

Miss Maggie Sampson, the young lady who presides so efficiently over the destinies of the Hawn Drug Store, is taking a vacation which she is spending at East Bernstadt. Miss Ida May, Union College student is seeing to it that Governor General's customers are nicely waited on.

Last week Dr. F. R. Burton has Mrs. Ewell Jordan brought to the Logan Infirmary suffering with blood poison of the left arm which it was necessary to amputate. On Tuesday of this week a baby girl was born to Mrs. Jordan. Mother and child are doing well.

Fred J. Catron was in Louisville last week and says various organizations are using the public parks of that city as places for raffling off automobiles, etc. He says if they tried the same thing here they would all be pinched.

Frank Catron is carefully feeding six dandy hogs which later on will make a fine addition to the national pens. Last year he slaughtered a large number of hogs for others. This man can turn his hand to most any job.

Miss Ellie Jump has started a successful class of some fifteen members at Yeager, Knox County. Miss Jump makes the trip by horseback after one experience in trying an auto following the rains when the driver found it unsafe to proceed further. Miss Jump has also started a class at Heidrick.

J. Efron, eyesight specialist, has just received his Optometry Registration Certificate from the Board of Health, Louisville, which was required of graduates in this profession by a recent law. Dr. Efron, who has been seriously ill, is convalescing so nicely that he will be able to resume his practice in a few days.

Larkin S. Miller took in his first baseball game Sunday when he rode over to Corbin and watched 'em twirl the spheroid. He thinks it a great game so if you see him rooting his head off in the future you will know he has caught the national disease. The Harlan pitchers were all tired out and Corbin got away with the game by a score of 16 to 8. We want to draw the attention of Mr. Miller to the coming basketball games at Union College in the new gym and are open to asseverate, but not bet, that he will become a basketball fan too. Let's all go.

"Tanlac is Certainly A
Fine Medicine For Elderly
People," She Says.

Among the many Kentucky peo-
ple who have recently testified to
the powers of Tanlac is Mrs. Nannie
Chappell, residing at 3,724 Old 3rd
Street, Louisville, who in relating
her experience said:

"I am now seventy-five years of
age, but I doubt if there are many
women that old who feel any bet-
ter than I do since taking Tanlac.
Why, during all the years of my life
I have never seen or heard of a medi-
cine to equal it for a few bottles
have relieved me of a case of rheu-
matism, nervousness and indigestion
that had troubled me for twenty-
three years. Sometimes my lower
limbs hurt me so badly I couldn't
walk and at times my arms pained
me so I couldn't raise my hands to
comb my hair. I had several attacks
every year and while they were on
me I could neither get up or down
without help. Many a time I got so
nervous I would shake like a leaf
and just dreaded to see night come,
for it was impossible for me to sleep.
My appetite left me, too, and every-
thing I ate disagreed with me.

"Finally I got so bad off with
this rheumatism that I couldn't stay
on my feet any longer. While I was
down in bed my son, who is a passen-
ger engineer on the Louisville and
Nashville railroad, came to see me
and said, 'Mother, you remember
how I suffered so long with stomach
trouble and could hardly eat at all,
and lost weight and thought I would
have to quit work. Well, you see
me now weighing two hundred and
fifteen pounds, and in such a good
condition that I can eat pork or any-
thing else I want and my health is
just perfect. Tanlac did this for me
and I'm going to get you a bottle.'
So he did and almost as soon as I
began taking it I felt better. In a
few days I had a good appetite and
was able to get out of bed. I have
taken three bottles of Tanlac now
and am feeling like a different per-
son. Every sign of the rheumatism
is gone and I am not only able to
sleep soundly every night but I usu-
ally take a nap during the day. Tan-
lac is certainly a fine medicine for
old people and I will gladly tell any
one personally just what it has done
for me."

Tanlac is sold in Barbourville by
the Cut Rate Drug Co.; in Artemus
by J. G. Haskin; and in Perman by
N. J. Faulkner & Co. Advertisement.

After Thorough Trial a Detroit, Mich., Man Endorses Pe-ru-na

The following letter written
from Detroit, Michigan is no snap
judgment expressed on the merits
of Pe-ru-na, the well-
known catarrh remedy,
but rather a mature,
sober opinion formed
after a full year's trial.

This is the way Mr.
Michael Fako of 906
East Palmer Avenue,
in the Michigan Metro-
politan, writes: "After
using PE-RU-NA for
about one year I will say
I have found it a very
good medicine for ca-
tarrh. It has helped
me a great deal and I
am very well satisfied. I have
gained in weight, eat and sleep
well, my bowels are regular and
better color in my face.

"PE-RU-NA has done wonders
and to me is worth its weight in
gold. I shall continue to use
PE-RU-NA as long as
I live and recommend
to my friends who are
troubled with catarrh."
Nothing can be more
convincing than an en-
dorsement of this na-
ture from an actual
user. There are many
people in every com-
munity whose experi-
ence, in using Pe-ru-na,
has been identical with
Mr. Fako's. It is the

**The Certain-teed Guarantee
as a Basis for Estimating
Roofing Cost**

The Certain-teed guarantee provides a basis for estimat-
ing the approximate cost per year of your new roof.
Certain-teed Roofing, Number 3 Heavy, is guaranteed
for fifteen years. It usually lasts longer.
Taking fifteen years as the assured life and dividing the
unusually low cost of Certain-teed, as compared to most
modern types of roofing, by this figure, you readily see
how economical Certain-teed is.
The light and medium weights of Certain-teed are also
guaranteed, five years for the former and ten years for
the latter.
In addition to its durability, Certain-teed is weather-proof,
fire-retarding and spark-proof.
And it costs less to buy, less to lay and less to maintain
than any other type of good roofing.
See a Certain-teed dealer about roofing. If he hasn't
enough of the weight you want in stock he can quickly
get more from a nearby Certain-teed warehouse or
distributing center.

Hands Across the State

The Louisville Board of Trade extends to you an invitation and a welcome. Come to Louisville—come to the State Fair—the one big event of its kind during the year.

A VISIT to the metropolis of your State during State Fair Week will do you good. It will be a profitable vacation for you. Louisville is your metropolis as well as ours. You should feel proud of its progress as we, of Louisville, feel proud of the development of your County. The State Fair is YOUR Fair. The best of everything pertaining to agricultural development is assembled here annually for your benefit.

Come and look over the displays. See the newest equipment and methods for making your farm more prof-

itable, your home more comfortable, and see the progress which Louisville has made since your last visit—it will pay you.

Bring your problems with you and exchange ideas with your neighbors. If you have undeveloped resources in your town or county, tell us about them and we will help you secure capital for their development. The Louisville Board of Trade offers you its heartiest co-operation in every project that will add to the greater development of our State. Let us pull together.

FRANCHISE

The Board of Council of the City
of Barbourville, Kentucky, do or-
dain as follows, viz:

WHEREAS, by Ordinance duly en-
acted and passed by the Board of
Council of the City of Barbourville,
Kentucky, on 5th day of March,
1906, the right, privilege and fran-
chise to construct, operate and main-
tain, within the City of Barbourville,
Kentucky, a plant for furnishing
and to furnish to said city and to its
inhabitants and residents natural
gas for heat, light and power pur-
poses, was duly enacted; and sub-
sequently sold, and by mesne con-
veyances, vested in Barbourville Sup-
ply Company, the present owner
thereof; and

WHEREAS, since the creation of
said franchise, the supply of natural
gas has become depleted to such an
extent that it is necessary for the

benefit and protection of the con-
sumers thereof in the City of Bar-
bourville, that the supply upon
which said gas depends be conserved
and

WHEREAS, in order to conserve
the supply of natural gas and to en-
able the operating company to pro-
spect for and secure if possible other
sources of supply of natural gas, it
is necessary that the rate for natural
gas as set forth, provided and limited
in the original franchise aforesaid,
be increased; and in order to permit
such increase of rate for natural
gas and service, it is further neces-
sary that the original franchise be
amended:

NOW, THEREFORE, in considera-
tion of the premises, it is hereby
provided that the aforesaid franchise
and particularly section three (3)
thereof, be amended, by striking the
whole of said section from said fran-
chise, and inserting in lieu thereof

the following provision, viz:

The rates and charges for natural
gas and for natural gas service un-
der this franchise, shall be as fol-
lows:

On the first 6,000 cubic feet con-
sumed per month, the rate shall be
43 cents per thousand feet. All over-
6,000 feet shall be charged for at
the rate of 80 cents per thousand
cubic feet; All accounts and charges
for natural gas so furnished under
this franchise shall be subject to a
discount of five cents per thousand
feet if the bill be paid on or before
the 10th of the month following the
month of sale of gas.

The minimum charge for gas used
by any consumer shall be one dol-
lar (\$1.00) per month.

This amendment shall become ef-
fective upon the dual passage and
approval of this ordinance, and its
acceptance in writing by the Bar-

bourville Supply Company.

And all ordinances and parts of
ordinances in conflict with the pro-
visions hereof are hereby repealed.

Introduced and read August 6th,
1920.

Read second time and passed Sept
2, 1920.

Approved:
THOMAS D. TINSLEY, Mayor.

ORDINANCE

The Board of Council of the City of Barbourville, Kentucky, do ordain as follows:

WHEREAS, by ordinance duly passed and enacted on August 4th, 1916, the Board of Council of the City of Barbourville, Kentucky, created the right, privilege and franchise to erect, install, and maintain a system of works for furnishing and to furnish to the said city and to its inhabitants and industries water and water service; and

WHEREAS, said franchise so created was thereafter duly advertised and sold, and has by mesne conveyances now vested in the present holder thereof the Barbourville Supply Company; and

WHEREAS, the rates for water and water service and connections with the mains in said franchise provided, were made and established at a time when the cost of labor and materials were considerably lower than at present; and it has been represented to the Board of Council by the present holder of said franchise that said rates are so low and the consumption of water so small that the operating company is not making and can not make, a fair or reasonably return on its investment and does not derive or receive an income from said franchise at all commensurate with the service rendered or capital invested; and, the Board of Council being satisfied from such representations and from its investigations that such representations as to income and revenue are the facts, and that an increase in the rates for water and water service provided under said franchise are necessary to secure that degree of service and protection contemplated by the franchise and such as are to be expected from said water system, and looking to the interests of the city and its inhabitants in that regard, have deemed it necessary, and do now deem it necessary that

such increase be made; and, to that end therefore, it is now provided that said franchise be, and the same is hereby amended, and particularly sections six, seven and twelve thereof, as follows, viz:

1.—That section six (6) of said franchise be and is hereby amended, by striking the words and figures "thirty-five dollars and seventy-five cents (\$35.75)" therefrom, and inserting in lieu thereof the words and figures "forty (\$40) dollars," so that said section, as amended, shall read as follows:

VI
"Fire Hydrants—There shall be located upon the water lines of the grantee, at such points as the city thru its Board of Council may designate, at least forty two (42) double nozzle fire hydrants with two and one half (2 1/2) inch openings for hose attachments. These hydrants shall be furnished, erected and maintained by the grantee during the term of this franchise; and, for the use of these hydrants the city of Barbourville, Kentucky, and the grantee herein his heirs and assigns, shall enter into contract from year to year, or for a period of one or more years at a time, for a sum to be agreed upon which shall not, however, exceed forty (\$40) dollars per annum for each fire hydrant, erected, furnished and maintained; provided however, that the time for which said contract shall run and the aggregate sum to be paid thereunder, shall not exceed the limitation of indebtedness which said city may contract provided and prescribed by law; and payment for such water service and fire hydrants shall be made at such times and in such installments as may be agreed upon; none of said payments, however, shall be made in advance. And provided further, that the city may require an extension of the water mains and the location, erection and maintenance thereon of additional fire hydrants, and a fire hydrant shall be placed, erected, maintained and paid for herein at every four hundred feet of such extension.

All fire hydrants shall be under the care, custody and control of the grantee, his heirs and assigns, except during times of fire; and the water from these hydrants shall be used for no purpose other than the extinguishment of fire, except as may hereafter be agreed upon between the city and the grantee, his heirs or assigns.

The Grantee, his heirs or assigns, shall not be compelled to make any extensions to their mains unless a revenue of at least \$20.00 per month is assured for every four hundred feet of said extension.

2.—That section seven of said franchise be amended by striking the whole of said section therefrom, and inserting in lieu thereof the following:—

VII
The grantee, his heirs and assigns shall not charge greater rates than the following schedule of rates per annum, on a flat rate basis, and these rates shall be uniform to all consumers for like purposes:—
First opening \$18. per year
Second opening no charge
Third opening \$6.00 per year
Fourth opening \$3.00 per year
Fifth opening \$3.00 per year

For all other purposes water furnished on flat rate basis shall be charged for at special rates which however shall be uniform to all consumers for like purposes.

The Maximum water rate for one residence shall not exceed thirty (30) dollars per annum on flat rate basis.

The Minimum water rate for one residence shall not be less than eighteen (18) dollars per annum on flat rate basis.

Meter Charges—Meters must be furnished to any consumer upon application at the expense of the consumer; and where a large quantity of water is used, or where water is being wasted or used for other purposes than specified in the application for service, meters may be installed at the option of the grantee, and the rate by meter shall not exceed one dollar (\$1.00) for the first one thousand gallons and forty cents for each additional thousand gallons.

The Minimum charge per month for water and water service on the meter rate basis shall be one dollar (\$1.00.) But this minimum charge is for domestic consumption only.

Where meters are used the expense of placing same shall be paid by the consumer, but the consumer shall be credited for the amount so paid on the books of the company and no charge for water furnished shall be made against such consumer until the water furnished shall equal at the meter rate above provided, the amount so paid. The meter, however, shall remain the property of the grantee, his heirs or assigns, and may be removed when consumption of water at such place ceases or disconnection be made with such consumer.

3.—That section twelve of said franchise be and the same is hereby

ended, by striking the words and figures "five (5) dollars" therefrom, and inserting in lieu thereof the words and figures "fifteen (\$15) dollars," and "seven and 50-100 (\$7.50) dollars" in lieu thereof; so that said section, as amended, shall read as follows:

Application for Water—All persons, firms and corporations desiring water or water service furnished by the grantee, his heirs or assigns, or who may desire additional service or attachments therefor, shall first make application therefor to the grantee, his heirs or assigns, on a form to be furnished for that purpose, which application shall state fully and completely the uses and purposes for which water is desired. The application shall be signed by the owner of the premises, or his authorized agent, and the applicant shall at the time, deposit with the grantee, his heirs or assigns a sum not to exceed seven and 50-100 (\$7.50) dollars for making the tap in the main, furnishing and inserting the stop cock with lead pipe connections, galvanized iron pipe to curb line, furnishing and putting in service cock and service box at curb line, excavating and filling in between the tap and curb box, providing such connection be made on the same side of the street whereunder is laid the water main but if said connection be made for service on the opposite side of the street from the water main then the charge for such service and furnishing all said materials, shall not exceed the sum of Fifteen (\$15) dollars and upon payment of the proper sum, the applicant shall receive a permit authorizing the connection to be made with the premises mentioned in the application. Such connections shall be made at actual cost but not to exceed the above sums.

1. The ordinance and amendment to said franchise shall not become effective until the Barbourville Supply Company, owner of said franchise, shall signify its acceptance of the amendment in writing, which shall be approved by the Mayor and placed with the city clerk, and entered of record on the other book of the Board of Council and until the final passage, approval and publication as required by law.

2. In consideration of this amendment it is now agreed and provided that this franchise shall expire at the end of ten years next after this date.

3. All ordinances and parts of ordinances in conflict with the provisions hereof are hereby repealed.

Introduced and read August 20th, 1920.

Approved, September 4th, 1920.

FOR HEADACHE, LIVER TROUBLE

Black-Draught Is The Best Medicine This Lady Ever Used. Says It Is Only Medicine She Gives Her Children.

Cherry Village, Ark.—In telling of her experience with Theodor's Black-Draught, Mrs. Lottie Ellis, R. F. D. No. 1, this place, said: "I used Black-Draught as a laxative, also for headache, torpid liver and indigestion. It is the best liver medicine I have ever used and is the only medicine I give my children."

"I feel like it has saved me a lot in doctor's bills, for when the children complain of feeling bad or have a cold, I just give them a good dose of Black-Draught and they soon get all right. It regularly cleans the liver and clears up the skin and they are soon out, well again. I wouldn't be without it for anything."

Seventy years of successful use has made Theodor's Black-Draught a standard, household remedy. Every member of every family, healthy at times, the best that Black-Draught gives in helping to cleanse the system and to prevent or remove the troubles that come from constipation, indigestion, and a lazy liver.

To keep well, your stomach, liver and bowels must be in good working order. To help keep them that way, take occasional doses of Theodor's Black-Draught. Thousands of homes are never without it.

For sale by all druggists. The genuine has the name, Theodor's, on the label. Insist on getting what you ask for. E. M.
